

## **Accessibility Statement for Openapi Websites**

This is an accessibility statement from Openapi Spa.

### **Measures to support accessibility**

Openapi Spa takes the following measures to ensure accessibility of Openapi Websites:

- Include accessibility as part of our mission statement.
- Include accessibility throughout our internal policies.
- Provide continual accessibility training for our staff.

### **Conformance status**

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Openapi Websites partially conformant with WCAG 2.2 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.

Additional accessibility considerations

We're working to make the site even more accessible. Your feedback is truly valuable, especially given the number of devices available on the market.
